

IDEATION BOOTCAMP

Transforming Unlimited Thoughts into one Winning Idea

Not every idea can or should become a commercial reality. This program helps both aspiring entrepreneurs and product leaders discover which of their ideas has the best chance of sustainable success.

From the author of

Many a time, people think ideation is an art and do not see the other side of it, which is science. The art is coming up with creative ideas, while the science is having a disciplined approach to distill ideas and picking the one that can possibly be the winning idea. The bootcamp focuses on the science side of ideation.

If you are:

**an aspiring
entrepreneur
or intrapreneur**

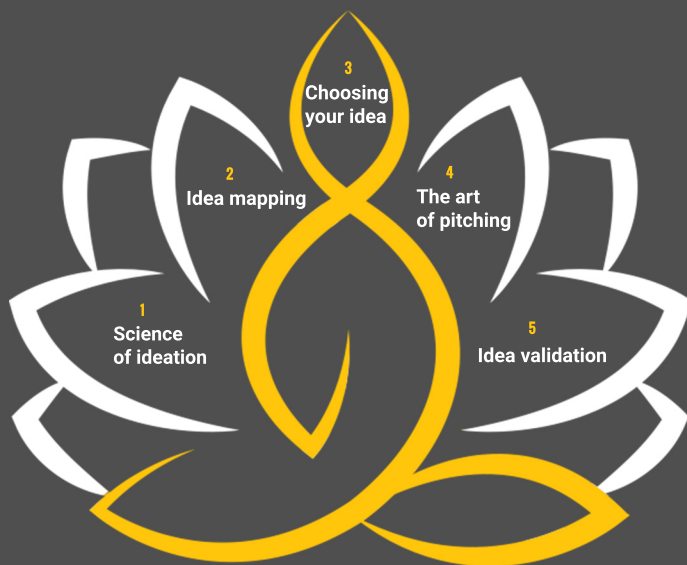

**successful but
want to
achieve more**

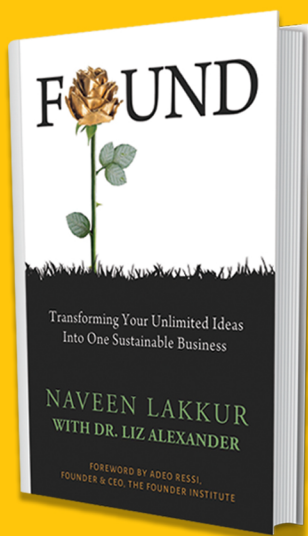

**a person
with a lot of
innovative ideas**

**We equip you with an ability to build on the next
multi-million dollar idea.**

You will learn:

Ideation bootcamp is premised on the core principles of 'FOUND'.

Here are some top reviews of the book:

“

A book which has to be read by anyone who has an idea, looking for conversion to a business model and those who want to be entrepreneurs... The book FOUND has to be kept in all the incubation centers and colleges conducting entrepreneurial initiative programs and courses.

~ P K Sambamoorthy, Co Founder and Director, Collabrant Incubators, Bangalore

“

One of the key things that I personally got out of this book is how to evaluate, position, and present my ideas in a way that maximizes the likelihood that they will be supported, funded, or purchased—or whatever my goal is for presenting them in the first place.
